

Estimator – Electrical

Diverse Group Australia is a leading civil & construction, electrical, signalling, communications and maintenance service provider with an outstanding reputation for delivering safe, reliable and cost-effective project outcomes across the resource sector in Western Australia, with a primary focus on the Pilbara region.

Diverse Group Australia is currently seeking a qualified and experienced Electrical Estimator to support our civil and electrical contracting team. Working as part of a small professional team based in our Malaga head office, you will be reporting to the Business Manager and work alongside our Project Engineers and Senior Estimator.

As part of the estimating team, you will play a key role in securing construction contracts through the preparation and submission of quality tenders to existing and new clients.

The Role

For consideration candidates are to present a professional resume detailing career experience within the following:

- Reviewing tender documents for scope of works and contract requirements
- Formulating overall pricing strategy and estimate preparation on multi-discipline projects
- Significant involvement in preparing tender documentation and presentation to our clients
- Estimate the resourcing requirements and ensure availability
- Liaise with clients, sub-contractors and suppliers
- Provide support to site based Project Management in estimating, cost analysis and capturing variations
- Ensure estimates are in compliance with legislation and Australian standard and seal with safety requirements

Requirements for the Role

- Ideally have trade or tertiary qualifications, teamed with understanding of disciplines involved in electrical / civil industry project work
- 5+ years' experience as an estimator in the engineering / construction business.
- Experience and understanding of multidiscipline projects (Civil, Mechanical, Electrical)
- Experience with civil / electrical infrastructure projects in the Pilbara region would be a distinct advantage (desirable)
- Be able to meet estimate accuracy standards and scheduled deadlines
- Well-developed computer skills including an estimating system and Microsoft Office (Excel, Word)
- Strong analytical capabilities and advanced organizational skills together with high attention to detail
- Proven ability to work in a team as well as autonomously

The successful applicant will be able to work unsupervised with confidence and initiative as well as part of a team and have appropriate people skills to liaise with clients and suppliers.

Remuneration is negotiable and will be assessed based on experience and qualifications.

This role offers a great opportunity for growth and a friendly working environment to further your career.

Applying for this Role

To submit an application, simply click on the "Apply Now" button and submit your resume along with a cover letter outlining your career experience and availabilities to commence employment.

Please note: Only successful candidates meeting the above criteria will be contacted. This position is required to undergo a pre-employment medical and Drug and Alcohol screen.

Diverse Group Australia is an Equal Opportunity Employer - Indigenous or Torres Strait Islanders are encouraged to apply
