

Electricians – Battery Replacements

Diverse Group Australia is a leading civil & construction, electrical, signalling, communications and maintenance service provider with an outstanding reputation for delivering safe, reliable and cost-effective project outcomes across the resources sector in Western Australia, with a primary focus on the Pilbara region.

Due to an increase in work, we have immediate vacancies available for experienced **Electricians** to join our team. This position will be based on a 2:1, FIFO roster out of Perth.

You will be working within a small electrical crew; the works revolves around the rail network and composes of battery replacements and will be logistically hands on.

The Role

- Removal of existing Battery banks - Cherratta, Chichester and Kanjenjie (A602-960 Cells); Western Creek 3 (A602-600 Cells)
- Installing and commissioning the increased capacity batteries
- Restarting the Site's Solar Hybrid Power system
- Have the ability to undertake tasks with diligence and work independently or as part of a wider team;
- Good diagnostic, analytical and problem-solving skills, coupled with strong communication and collaboration skills
- A strong understanding and compliance of safety regulations

Requirements for the Role

To be successful, you will demonstrate the following:

- Current WA Grade A Electricians Licence
- Have a OHS Construction Induction White card
- Have a solid work background and demonstrate that you are reliable with a stable work history.
- Current Australian Driver's License
- Self-motivated and be able to work with minimal supervision
- First Aid & CPR certificate
- Fire Fighting certificate
- Be well presented and physically fit and able to pass a Category 2 medical. Including Drug and Alcohol Screen.
- Previous work experience across BHP, FMG, Roy Hill and Rio Tinto

What you will get in return

It is important that you are seeking a long-term move, with a business that will offer personal development and growth as a reward. The business is in an exciting time of growth and an ever-expanding project portfolio. You will work to best practice within the industry, and have ample exposure to major high-end projects in the mining industry.

Applying for this Role

To submit an application, simply click on the "Apply for this job" button and submit your resume along with a cover letter outlining your career experience and availabilities to commence employment.

Please note: Only successful candidates meeting the above criteria will be contacted. This position is required to undergo a pre-employment medical and Drug and Alcohol screen.

Diverse Group Australia is an Equal Opportunity Employer - Indigenous or Torres Strait Islanders are encouraged to apply

Only candidates meeting essential requirements will be contacted.
