

DGA

“The Pilbara is our Local”

Capability Statement

CAPABILITY STATEMENT – Summary

Diverse Group Australia is a leading Rail, Civil, Communications and Electrical contractor and maintenance service provider, with a reputation for delivering safe, reliable and cost-effective project outcomes across the resources and rail sectors in the Pilbara.

PURPOSE – Building people for sustainability and the benefit of the community.

CLIENT VALUE PROPOSITION

Relationships – DGA's number one priority when working with clients is to create a channel of open communication. The ability to interact on a transparent level is essential to guarantee a successful project, built on a foundation of strong, trusting relationships.

Value – DGA provides a higher level of value to its clients and utilises its resources to:

- Provide high quality, safe work from end-to-end;
- Establish an interconnected Pilbara support network, with the right people to get the job done;
- Develop easy and open lines of communication, that ensures transparency to the client throughout;
- Provide the right equipment to get the job done within the Pilbara environment;
- Ensure knowledge of local environment/conditions, allowing no surprises.

Economic Cost – DGA believes that economic cost is determined by the strength of a relationship and the value that is added. With 15 years of experience in the Pilbara, DGA has the benefit of being able to increase the efficiency of work by maintaining a low overhead and being able to complete projects from start to finish with a strong local knowledge base.

Effort – DGA provides a sound knowledge of the Pilbara environment, as well as the processes and systems needed to reduce the effort required by our clients on Pilbara projects.

INVESTING IN COMMUNITY

- Sponsorship of local indigenous groups
 - Funding of indigenous start-up businesses
 - Sponsorship of local sporting groups
 - Ongoing support of local disability support groups
 - Memorandums of Understanding (MOUs) with a number of local Pilbara indigenous groups, including:
 - Nyamal
 - Wirilu-Murra
 - Karlayura
-

SAFETY AS A PRIORITY

DGA focuses on organic growth with constant employee upskilling and development, focusing on service skills and leadership, and believes in building a strong base of long term employees to create sustainability, in turn, creating a strong and self-developing safety culture.

DGA has proudly achieved over 2443 LTI Free Days.

EQUAL OPPORTUNITY

DGA has a strong belief in equal opportunity in the workplace and is continuously striving to give people of every race, gender and background the same opportunity to grow within our business to create cultural diversification.

2019 TARGETS

- 25% Female Employment
- 18% Indigenous Employment

DGA aims to achieve ongoing growth and development in the workplace.
